Fatmagul is one of the most successful Turkish drama series ever. The young innocent girl Fatmagul is newly engaged with the whole life in front of her. One night, she is gang raped by three young men who are out on a party raid. Her engagement breaks up, and she is somehow forced to marry another man who was present at the rape scene. Later in the story, she turns against the evil structures in society to get justice. Fatmagul is based on a novel by Vedat Turkali, and is a mega success all over the world, most recently in Latin America.

Kuzey and Güney are the names of two brothers. They share the same blood, but couldn't be more different. The older brother Güney is an ambitious and well-behaved student. Younger brother Kuzey is a rebel locked in a constant battle with his authoritarian father. But they have one thing in common: they both love Cemre, a local girl with whom they grew up. Güney kills a man by accident in a hit and run car accident, but Kuzey covers up for him and is sent to jail. The series starts when he is released five years later. Kuzey Güney is already sold for remake to both Mexico and Russia.
