

KARADAYI

Karadayi concluded the 3rd season in Turkey in June 2015, with the series regularly scoring number one in the ratings. The compelling storyline, elegant 70s look and a star cast has led to the show being sold to over 50 countries.

A tale of honor, revenge and impossible love, Karadayi tells the story of Mahir, who takes his place as head of his family when his father is found guilty of a murder he did not commit. Mahir sets out to find the real killer, drawing his respectable family into a war with the criminals who are behind the crime. The quest for justice is complicated by an impossible love story involving the judge who holds his father's fate in her hands. The corruption he uncovers goes even deeper than he suspected and what he finds out changes all their lives forever. The cast includes stars such as Kenan İmirzaloğlu (Ezel) and Bergüzar Korel (1001 nights).
